The Chemistry Laboratory (also known as the chemistry lab or science laboratory) is located in Room IP 306 on the Third Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near adjacent to physics laboratory. Laboratory for chemistry experiments and practical activities.

Classrooms

The Classrooms (also known as the classrooms or lecture rooms) is located in Room IP 301-304 on the Third Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is along the third floor corridor. Classrooms used for higher level courses.

Comfort Room Female

The Comfort Room Female (also known as the female comfort room, restroom, or cr female) is located in Room IP 308 on the Third Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near male comfort room. Female designated restroom.

Comfort Room Male

The Comfort Room Male (also known as the male comfort room, restroom, or cr male) is located in Room IP 307 on the Third Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near end of third floor hallway. Male designated restroom.

Physics Laboratory

The Physics Laboratory (also known as the physics lab or science laboratory) is located in Room IP 305 on the Third Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near chemistry laboratory. Laboratory for physics experiments and demonstrations.

Classrooms

The Classrooms (also known as the classrooms or lecture rooms) is located in Room IP 400-401 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near front section of fourth floor. Classrooms used for lectures and academic activities.

Classrooms

The Classrooms (also known as the classrooms or lecture rooms) is located in Room IP 407-409 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near end of fourth floor corridor. Classrooms for lectures and academic sessions.

Computer Laboratory 1

The Computer Laboratory 1 (also known as the computer lab 1 or comlab 1) is located in Room IP 402 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near technical room. Computer laboratory equipped for instructional use.

Computer Laboratory 2

The Computer Laboratory 2 (also known as the computer lab 2 or comlab 2) is located in Room IP 403 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is beside computer laboratory 1. Computer laboratory for programming and system activities.

Computer Laboratory 3

The Computer Laboratory 3 (also known as the computer lab 3 or comlab 3) is located in Room IP 405 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near drawing laboratory. Additional computer laboratory for academic use.

Drawing Laboratory

The Drawing Laboratory (also known as the drawing lab or drafting room) is located in Room IP 406 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near classrooms. Laboratory used for engineering drawing and drafting activities.

Technical Room

The Technical Room (also known as the technical room or server room) is located in Room IP 404 on the Fourth Floor of IP Building at the Barretto Campus. It is part of the College Department. This location is near central utility area of fourth floor. Room housing technical and support systems.

P Building

It is part of the College Department. This location is near third floor near restrooms. Accessible comfort room for persons with disabilities.

Computer Laboratory 1

The Computer Laboratory 1 (also known as the computer lab 1, comlab 1, computer room, or engineering comlab 1) is located in Room SP302 on the Third Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near third floor ict area. Computer laboratory for engineering applications.

Computer Laboratory 2

The Computer Laboratory 2 (also known as the computer lab 2, comlab 2, computer room, or engineering comlab 2) is located in Room SP303 on the Third Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near third floor ict area. Secondary computer laboratory for students.

Drawing Room

The Drawing Room (also known as the drawing room or drafting room) is located in Room SP301 on the Third Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near third floor academic wing. Room for engineering drawing and drafting classes.

Electrical Room

The Electrical Room (also known as the electrical room or power room) is located in Room SP305 on the Third Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near third floor utility area. Electrical distribution and control room.

Utility Room

The Utility Room (also known as the utility room or maintenance room) is located in Room SP304 on the Third Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near third floor service area. Room for building utilities and maintenance.

Chemistry Room

The Chemistry Room (also known as the chemistry room or chemistry lab) is located in Room SP404 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor science wing. Laboratory for chemistry instruction and experiments.

Chemistry Stock Room

The Chemistry Stock Room (also known as the chemistry stock room or chemistry storage) is located in Room SP403 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor near chemistry room. Storage room for chemistry materials and supplies.

Comfort Room (Female)

The Comfort Room (Female) (also known as the female cr, women restroom, or ladies comfort room) is located in Room SP407 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor near classrooms. Female comfort room facility.

Comfort Room (Male)

The Comfort Room (Male) (also known as the male cr, men restroom, or gents comfort room) is located in Room SP408 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor near classrooms. Male comfort room facility.

Comfort Room (PWD)

The Comfort Room (PWD) (also known as the pwd cr, accessible restroom, or disability restroom) is located in Room SP409 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor near restrooms. Accessible comfort room for persons with disabilities.

Electrical Room

The Electrical Room (also known as the electrical room or power room) is located in Room SP406 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor utility area. Electrical control and distribution room.

Physics Room

The Physics Room (also known as the physics room or physics lab) is located in Room SP401 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor science wing. Room used for physics lectures and experiments.

Physics Stock Room

The Physics Stock Room (also known as the physics stock room or physics storage) is located in Room SP402 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor near physics room. Storage room for physics equipment.

Utility Room

The Utility Room (also known as the utility room or maintenance room) is located in Room SP405 on the Fourth Floor of St. Patrick Building at the Barretto Campus. It is part of the College Department. This location is near fourth floor service area. Utility and maintenance room.

V Building

Chapel

The Chapel (also known as the chapel or prayer room) is located in Room V101–V102 on the Ground Floor of V Building at the Main Campus. It is part of the College Department. This location is near ground floor central area. Chapel used for worship, masses, and religious activities.

Classroom

The Classroom (also known as the classrooms or lecture rooms) is located in Room V104–V108 on the Ground Floor of V Building at the Main Campus. It is part of the College Department. This location is near ground floor academic wing. Multiple classrooms for general instruction.

Social Work Coordinator's Office

The Social Work Coordinator's Office (also known as the social work office or sw coordinator office) is located in Room V103 on the Ground Floor of V Building at the Main Campus. It is part of the College Department. This location is near ground floor near classrooms. Office of the Social Work program coordinator.

College Library

The College Library (also known as the library or school library) is located on the Second Floor of V Building at the Main Campus. It is part of the College Department. This location is near entire second floor. Main academic library for students and faculty.

Biology Laboratory

The Biology Laboratory (also known as the bio lab or biology lab) is located in Room V304 on the Third Floor of V Building at the Main Campus. It is part of the College Department. This location is near third floor science wing. Laboratory for biology experiments.

Chemistry Laboratory

The Chemistry Laboratory (also known as the chem lab or chemistry lab) is located in Room V301 on the Third Floor of V Building at the Main Campus. It is part of the College Department. This location is near third floor science wing. Laboratory for chemistry experiments.

Internet Laboratory

The Internet Laboratory (also known as the internet lab or computer lab) is located in Room V307 on the Third Floor of V Building at the Main Campus. It is part of the College Department. This location is near third floor near server room. Computer laboratory with internet access.

Microbiology Laboratory

The Microbiology Laboratory (also known as the micro lab or microbiology lab) is located in Room V305 on the Third Floor of V Building at the Main Campus. It is part of the College Department. This location is near third floor near biology lab. Laboratory for microbiology studies.

Science Lecture Room

The Science Lecture Room (also known as the science lecture room or sci classroom) is located in Room V303 on the Third Floor of V Building at the Main Campus. It is part of the College Department. This location is near third floor near laboratories. Lecture room for science subjects.

Server Room

The Server Room (also known as the server room or data center) is located in Room V306 on the Third Floor of V Building at the Main Campus. It is part of the College Department.

This location is near restricted area on third floor. Room housing servers and network equipment.

Stock Room

The Stock Room (also known as the stock room or supply room) is located in Room V302 on the Third Floor of V Building at the Main Campus. It is part of the College Department. This location is near third floor near laboratories. Storage room for laboratory supplies.
