ST. PATRICK BUILDING

Entity ID: SP101_CLASS

SP101 is a Classroom located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP101
Building: St. Patrick Building
Floor: Ground Floor
Type: Classroom

Also known as: engineering classroom, engineering lecture room, eng lecture room

Location details: Ground floor academic section.

Description: Engineering lecture classroom.

Entity ID: SP102_CLASS

SP102 is a Classroom located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP102
Building: St. Patrick Building
Floor: Ground Floor
Type: Classroom

Also known as: engineering classroom, engineering lecture room

Location details: Ground floor academic section.

Description: Engineering classroom for regular sessions.

Entity ID: SP103_CHAIR

SP103 is the Chairperson's Room located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP103
Building: St. Patrick Building
Floor: Ground Floor
Type: Chairperson's Office

Also known as: engineering chairperson office, eng chair office, department chair office

Location details: Ground floor near faculty offices.

Description: Engineering Chairperson office.

Entity ID: SP104_FACULTY

SP104 is the Faculty Room located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP104
Building: St. Patrick Building
Floor: Ground Floor
Type: Faculty Room

Also known as: engineering faculty room, eng instructors room

Location details: Ground floor beside classrooms.

Description: Engineering faculty workspace.

Entity ID: SP105_CONSULT

SP105 is the Consultation Room located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP105
Building: St. Patrick Building

Floor: Ground Floor
Type: Consultation Room

Also known as: engineering consultation room, faculty advising room

Location details: Ground floor near faculty offices.

Description: Student consultation and advising room.

Entity ID: SP106_DEAN

SP106 is the Engineering Dean's Office located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP106
Building: St. Patrick Building
Floor: Ground Floor
Type: Engineering Dean's Office

Also known as: engineering dean office, eng dean office, office of the engineering dean

Location details: Ground floor administrative area.

Description: Engineering Dean office.

Entity ID: SP107_ELECTRIC

SP107 is an Electrical Room located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP107
Building: St. Patrick Building
Floor: Ground Floor
Type: Electrical Room

Also known as: electrical room, power room, electrical control room

Location details: Ground floor utility section.

Description: Electrical control and power distribution room.

Entity ID: SP108_CR_F

SP108 is a Comfort Room (Female) located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP108
Building: St. Patrick Building
Floor: Ground Floor
Type: Comfort Room (Female)

Also known as: female comfort room, women cr, ladies restroom

Location details: Ground floor near classrooms.

Description: Female comfort room.

Entity ID: SP109_CR_M

SP109 is a Comfort Room (Male) located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP109
Building: St. Patrick Building
Floor: Ground Floor
Type: Comfort Room (Male)

Also known as: male comfort room, men cr, boys restroom

Location details: Ground floor near classrooms.

Description: Male comfort room.

Entity ID: SP110_CR_PWD

SP110 is a Comfort Room (PWD) located in St. Patrick Building, Ground Floor, Barretto Campus under the College Department.

Room Number: SP110
Building: St. Patrick Building

Floor: Ground Floor
Type: Comfort Room (PWD)

Also known as: pwd comfort room, accessible cr, disability restroom

Location details: Ground floor beside other restrooms.

Description: Accessible PWD comfort room.

Entity ID: SP201_SURVEY

SP201 is the Surveying Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP201
Building: St. Patrick Building
Floor: Second Floor
Type: Surveying Room

Also known as: surveying laboratory, survey lab room

Location details: Second floor academic wing.

Description: Surveying laboratory for field measurements.

Entity ID: SP202_ELECTRIC

SP202 is an Electrical Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP202
Building: St. Patrick Building
Floor: Second Floor
Type: Electrical Room

Also known as: electrical room, power room

Location details: Second floor utility section.

Description: Electrical distribution room.

Entity ID: SP203_ELEC_STOCK

SP203 is the Electrical Stock Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP203
Building: St. Patrick Building
Floor: Second Floor
Type: Electrical Stock Room

Also known as: electrical storage room, electrical stockroom

Location details: Second floor beside electrical room.

Description: Electrical equipment storage.

Entity ID: SP204_ELEX_STOCK

SP204 is the Electronics Stock Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP204
Building: St. Patrick Building
Floor: Second Floor
Type: Electronics Stock Room

Also known as: electronics storage room, elex stockroom

Location details: Second floor beside electronics laboratory.

Description: Electronics tools and components storage.

Entity ID: SP205_ELEX_ROOM

SP205 is the Electronics Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP205
Building: St. Patrick Building

Floor: Second Floor
Type: Electronics Room

Also known as: electronics laboratory, elex lab, circuits lab

Location details: Second floor laboratory area.

Description: Electronics and circuits laboratory.

Entity ID: SP206_UTILITY

SP206 is a Utility Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP206
Building: St. Patrick Building
Floor: Second Floor
Type: Utility Room

Also known as: utility maintenance room

Location details: Second floor service area.

Description: Maintenance and utility room.

Entity ID: SP207_ELECTRIC

SP207 is an Electrical Room located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP207
Building: St. Patrick Building
Floor: Second Floor
Type: Electrical Room

Also known as: electrical room, power room

Location details: Second floor utility section.

Description: Secondary electrical control room.

Entity ID: SP208_CR_F

SP208 is a Comfort Room (Female) located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP208
Building: St. Patrick Building
Floor: Second Floor
Type: Comfort Room (Female)

Also known as: female comfort room, women cr

Location details: Second floor near classrooms.

Description: Female comfort room.

Entity ID: SP209_CR_M

SP209 is a Comfort Room (Male) located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP209
Building: St. Patrick Building
Floor: Second Floor
Type: Comfort Room (Male)

Also known as: male comfort room, men cr

Location details: Second floor near classrooms.

Description: Male comfort room.

Entity ID: SP210_CR_PWD

SP210 is a Comfort Room (PWD) located in St. Patrick Building, Second Floor, Barretto Campus under the College Department.

Room Number: SP210
Building: St. Patrick Building

Floor: Second Floor
Type: Comfort Room (PWD)

Also known as: pwd comfort room, accessible cr

Location details: Second floor beside other restrooms.

Description: Accessible PWD comfort room.

Entity ID: SP301_DRAWING

SP301 is the Drawing Room located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP301
Building: St. Patrick Building
Floor: Third Floor
Type: Drawing Room

Also known as: drawing laboratory, drafting lab, plate room

Location details: Third floor academic corridor.

Description: Drawing and drafting laboratory.

Entity ID: SP302_COMLAB1

SP302 is Computer Laboratory 1 located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP302
Building: St. Patrick Building
Floor: Third Floor
Type: Computer Laboratory 1

Also known as: computer laboratory 1, comlab 1, engineering computer lab 1

Location details: Third floor ICT section.

Description: Computer laboratory for engineering applications.

Entity ID: SP303_COMLAB2

SP303 is Computer Laboratory 2 located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP303
Building: St. Patrick Building
Floor: Third Floor
Type: Computer Laboratory 2

Also known as: computer laboratory 2, comlab 2, engineering computer lab 2

Location details: Third floor beside main ICT lab.

Description: Secondary computer laboratory.

Entity ID: SP304_UTILITY

SP304 is a Utility Room located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP304
Building: St. Patrick Building
Floor: Third Floor
Type: Utility Room

Also known as: utility maintenance room

Location details: Third floor service area.

Description: Building maintenance room.

Entity ID: SP305_ELECTRIC

SP305 is an Electrical Room located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP305
Building: St. Patrick Building

Floor: Third Floor
Type: Electrical Room

Also known as: electrical room, power room

Location details: Third floor utility section.

Description: Electrical systems room.

Entity ID: SP306_CR_F

SP306 is a Comfort Room (Female) located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP306
Building: St. Patrick Building
Floor: Third Floor
Type: Comfort Room (Female)

Also known as: female comfort room, women cr

Location details: Third floor near classrooms.

Description: Female comfort room.

Entity ID: SP307_CR_M

SP307 is a Comfort Room (Male) located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP307
Building: St. Patrick Building
Floor: Third Floor
Type: Comfort Room (Male)

Also known as: male comfort room, men cr

Location details: Third floor near classrooms.

Description: Male comfort room.

Entity ID: SP308_CR_PWD

SP308 is a Comfort Room (PWD) located in St. Patrick Building, Third Floor, Barretto Campus under the College Department.

Room Number: SP308
Building: St. Patrick Building
Floor: Third Floor
Type: Comfort Room (PWD)

Also known as: pwd comfort room, accessible cr

Location details: Third floor beside other restrooms.

Description: Accessible PWD comfort room.

Entity ID: SP401_PHYSICS

SP401 is the Physics Room located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP401
Building: St. Patrick Building
Floor: Fourth Floor
Type: Physics Room

Also known as: physics laboratory, engineering physics lab

Location details: Fourth floor science wing.

Description: Physics laboratory for experiments and demonstrations.

Entity ID: SP402_PHYS_STOCK

SP402 is the Physics Stock Room located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP402
Building: St. Patrick Building

Floor: Fourth Floor
Type: Physics Stock Room

Also known as: physics storage room, physics stockroom

Location details: Fourth floor beside physics lab.

Description: Physics equipment storage.

Entity ID: SP403_CHEM_STOCK

SP403 is the Chemistry Stock Room located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP403
Building: St. Patrick Building
Floor: Fourth Floor
Type: Chemistry Stock Room

Also known as: chemistry storage room, chem stockroom

Location details: Fourth floor beside chemistry lab.

Description: Chemistry materials storage.

Entity ID: SP404_CHEM_ROOM

SP404 is the Chemistry Room located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP404
Building: St. Patrick Building
Floor: Fourth Floor
Type: Chemistry Room

Also known as: chemistry laboratory, chem lab

Location details: Fourth floor science wing.

Description: Chemistry laboratory for practical experiments.

Entity ID: SP405_UTILITY

SP405 is a Utility Room located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP405
Building: St. Patrick Building
Floor: Fourth Floor
Type: Utility Room

Also known as: utility maintenance room

Location details: Fourth floor service area.

Description: Maintenance support room.

Entity ID: SP406_ELECTRIC

SP406 is an Electrical Room located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP406
Building: St. Patrick Building
Floor: Fourth Floor
Type: Electrical Room

Also known as: electrical room, power room

Location details: Fourth floor utility section.

Description: Electrical control systems room.

Entity ID: SP407_CR_F

SP407 is a Comfort Room (Female) located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP407
Building: St. Patrick Building

Floor: Fourth Floor
Type: Comfort Room (Female)

Also known as: female comfort room, women cr

Location details: Fourth floor near classrooms.

Description: Female comfort room.

Entity ID: SP408_CR_M

SP408 is a Comfort Room (Male) located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP408
Building: St. Patrick Building
Floor: Fourth Floor
Type: Comfort Room (Male)

Also known as: male comfort room, men cr

Location details: Fourth floor near classrooms.

Description: Male comfort room.

Entity ID: SP409_CR_PWD

SP409 is a Comfort Room (PWD) located in St. Patrick Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: SP409
Building: St. Patrick Building
Floor: Fourth Floor
Type: Comfort Room (PWD)

Also known as: pwd comfort room, accessible cr

Location details: Fourth floor beside other restrooms.

Description: Accessible PWD comfort room.

IP BUILDING

Entity ID: IP100_FACULTY_LOUNGE

IP100 is the Faculty Lounge located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP100
Building: IP Building
Floor: Ground Floor
Type: Faculty Lounge

Also known as: faculty lounge, staff lounge

Location details: Ground floor near faculty offices.

Description: Faculty lounge for meetings and breaks.

Entity ID: IP101_FACULTY_ROOM

IP101 is the Faculty Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP101
Building: IP Building
Floor: Ground Floor
Type: Faculty Room

Also known as: faculty room, instructors room

Location details: Ground floor beside faculty lounge.

Description: Faculty preparation room.

Entity ID: IP102_ELECTRIC_ROOM

IP102 is an Electrical Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP102
Building: IP Building
Floor: Ground Floor
Type: Electrical Room

Also known as: electrical room, power room

Location details: Ground floor utility section.

Description: Main electrical systems room.

Entity ID: IP103 _ADMIN_ OFFICE

IP103 is the Admin Office located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP103
Building: IP Building
Floor: Ground Floor
Type: Admin Office

Also known as: administration office, campus admin office

Location details: Ground floor near consultation rooms.

Description: College administration office.

Entity ID: IP104 _CONSULTATION_ ROOM

IP104 is the Consultation Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP104
Building: IP Building
Floor: Ground Floor
Type: Consultation Room

Also known as: consultation room, advising room

Location details: Ground floor beside admin office.

Description: Consultation and advising room.

Entity ID: IP105_IE_EQUIP_ROOM

IP105 is the Industrial Engineering Equipment Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP105

Building: IP Building

Floor: Ground Floor

Type: Industrial Engineering Equipment Room

Also known as: industrial engineering equipment room, ie lab storage

Location details: Ground floor engineering equipment area.

Description: Industrial Engineering equipment room.

Entity ID: IP106_SURVEY_EQUIP_ROOM

IP106 is the Surveying Engineering Equipment Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP106

Building: IP Building

Floor: Ground Floor

Type: Surveying Engineering Equipment Room

Also known as: surveying equipment room, survey lab storage

Location details: Ground floor near engineering labs.

Description: Surveying equipment room.

Entity ID: IP107_ECE_EQUIP_ROOM

IP107 is the Electronics and Circuits Equipment Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP107
Building: IP Building
Floor: Ground Floor
Type: Electronics and Circuits Equipment Room

Also known as: ece equipment room, electronics equipment storage

Location details: Ground floor beside electronics lab.

Description: Electronics equipment room.

Entity ID: IP108_ECE_LAB

IP108 is the Electronics and Circuits Laboratory located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP108
Building: IP Building
Floor: Ground Floor
Type: Electronics and Circuits Laboratory

Also known as: electronics and circuits laboratory, ece lab

Location details: Ground floor near equipment storage.

Description: Electronics and circuits laboratory.

Entity ID: IP109_CLASSROOM

IP109 is a Classroom located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP109
Building: IP Building
Floor: Ground Floor
Type: Classroom

Also known as: classroom, lecture room

Location details: Ground floor central area.

Description: Engineering lecture classroom.

Entity ID: IP110_HYDRAULICS_LAB

IP110 is the Hydraulics Laboratory located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP110

Building: IP Building

Floor: Ground Floor

Type: Hydraulics Laboratory

Also known as: hydraulics laboratory, fluid mechanics lab

Location details: Ground floor near engineering labs.

Description: Hydraulics laboratory for fluid mechanics.

Entity ID: IP111_SOIL_MECH_LAB

IP111 is the Soil Mechanics Laboratory located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP111

Building: IP Building

Floor: Ground Floor

Type: Soil Mechanics Laboratory

Also known as: soil mechanics laboratory, geotechnical lab

Location details: Ground floor beside hydraulics lab.

Description: Soil mechanics laboratory for geotechnical testing.

Entity ID: IP112_MAINTENANCE_ROOM

IP112 is the Maintenance Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP112
Building: IP Building
Floor: Ground Floor
Type: Maintenance Room

Also known as: maintenance room, facility maintenance room

Location details: Ground floor service section.

Description: Maintenance operations room.

Entity ID: IP113_GUIDANCE_CENTER

IP113 is the Guidance and Testing Center located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP113
Building: IP Building
Floor: Ground Floor
Type: Guidance and Testing Center

Also known as: guidance center, counseling office, testing center

Location details: Ground floor near guidance center.

Description: Guidance and Testing Center.

Entity ID: IP114_GUIDANCE_TEST_ROOM

IP114 is the Guidance Testing Room located in IP Building, Ground Floor, Barretto Campus under the College Department.

Room Number: IP114
Building: IP Building
Floor: Ground Floor
Type: Guidance Testing Room

Also known as: guidance testing room, testing room

Location details: Ground floor beside guidance office.

Description: Guidance testing room.

Entity ID: IP200_207_CLASSROOMS

IP200–IP207 are Classrooms located in IP Building, Second Floor, Barretto Campus under the College Department.

Room Numbers: IP200–IP207

Building: IP Building

Floor: Second Floor

Type: Classrooms

Also known as: engineering classrooms, lecture classrooms

Location details: Second floor main corridor.

Description: Cluster of engineering classrooms.

Entity ID: IP208_CR_MALE

IP208 is a Comfort Room (Male) located in IP Building, Second Floor, Barretto Campus under the College Department.

Room Number: IP208

Building: IP Building

Floor: Second Floor

Type: Comfort Room (Male)

Also known as: male comfort room, men cr

Location details: Second floor hallway end.

Description: Male comfort room.

Entity ID: IP209_CR_FEMALE

IP209 is a Comfort Room (Female) located in IP Building, Second Floor, Barretto Campus under the College Department.

Room Number: IP209
Building: IP Building
Floor: Second Floor
Type: Comfort Room (Female)

Also known as: female comfort room, women cr

Location details: Second floor beside male restroom.

Description: Female comfort room.

Entity ID: IP301_304_CLASSROOMS

IP301–IP304 are Classrooms located in IP Building, Third Floor, Barretto Campus under the College Department.

Room Numbers: IP301–IP304
Building: IP Building
Floor: Third Floor
Type: Classrooms

Also known as: engineering classrooms, lecture classrooms

Location details: Third floor corridor.

Description: Engineering classrooms for advanced courses.

Entity ID: IP305_PHYSICS_LAB

IP305 is the Physics Laboratory located in IP Building, Third Floor, Barretto Campus under the College Department.

Room Number: IP305
Building: IP Building
Floor: Third Floor
Type: Physics Laboratory

Also known as: physics laboratory, science physics lab

Location details: Third floor near chemistry lab.

Description: Physics laboratory.

Entity ID: IP306_CHEMISTRY_LAB

IP306 is the Chemistry Laboratory located in IP Building, Third Floor, Barretto Campus under the College Department.

Room Number: IP306

Building: IP Building

Floor: Third Floor

Type: Chemistry Laboratory

Also known as: chemistry laboratory, science chem lab

Location details: Third floor beside physics lab.

Description: Chemistry laboratory.

Entity ID: IP307_CR_MALE

IP307 is a Comfort Room (Male) located in IP Building, Third Floor, Barretto Campus under the College Department.

Room Number: IP307

Building: IP Building

Floor: Third Floor

Type: Comfort Room (Male)

Also known as: male comfort room, men cr

Location details: Third floor hallway end.

Description: Male comfort room.

Entity ID: IP308_CR_FEMALE

IP308 is a Comfort Room (Female) located in IP Building, Third Floor, Barretto Campus under the College Department.

Room Number: IP308
Building: IP Building
Floor: Third Floor
Type: Comfort Room (Female)

Also known as: female comfort room, women cr

Location details: Third floor beside male restroom.

Description: Female comfort room.

Entity ID: IP400_401_CLASSROOMS

IP400–IP401 are Classrooms located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Numbers: IP400–IP401
Building: IP Building
Floor: Fourth Floor
Type: Classrooms

Also known as: engineering classrooms, lecture classrooms

Location details: Fourth floor front section.

Description: Engineering classrooms.

Entity ID: IP402_COMP_LAB1

IP402 is Computer Laboratory 1 located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: IP402
Building: IP Building
Floor: Fourth Floor
Type: Computer Laboratory 1

Also known as: computer laboratory 1, comlab 1

Location details: Fourth floor near technical room.

Description: Instructional computer laboratory.

Entity ID: IP403_COMP_LAB2

IP403 is Computer Laboratory 2 located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: IP403

Building: IP Building

Floor: Fourth Floor

Type: Computer Laboratory 2

Also known as: computer laboratory 2, comlab 2

Location details: Fourth floor beside computer lab.

Description: Programming and systems laboratory.

Entity ID: IP404_TECH_ROOM

IP404 is the Technical Room located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: IP404

Building: IP Building

Floor: Fourth Floor

Type: Technical Room

Also known as: technical room, server room

Location details: Fourth floor central utility area.

Description: Technical systems and server room.

Entity ID: IP405_COMP_LAB3

IP405 is Computer Laboratory 3 located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: IP405
Building: IP Building
Floor: Fourth Floor
Type: Computer Laboratory 3

Also known as: computer laboratory 3, comlab 3

Location details: Fourth floor near drawing lab.

Description: Additional computer laboratory.

Entity ID: IP406_DRAWING_LAB

IP406 is the Drawing Laboratory located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Number: IP406
Building: IP Building
Floor: Fourth Floor
Type: Drawing Laboratory

Also known as: drawing laboratory, drafting lab

Location details: Fourth floor near classrooms.

Description: Drawing and drafting laboratory.

Entity ID: IP407_409_CLASSROOMS

IP407–IP409 are Classrooms located in IP Building, Fourth Floor, Barretto Campus under the College Department.

Room Numbers: IP407–IP409
Building: IP Building
Floor: Fourth Floor
Type: Classrooms

Also known as: engineering classrooms, lecture classrooms

Location details: Fourth floor corridor end.

Description: Engineering classrooms.

ST. AGATHA'S BUILDING

Entity ID: NB100_CR

NB100 is the Nursing Comfort Room located in St. Agatha's Building, Ground Floor, Barretto Campus under the College Department.

Room Number: NB100

Building: St. Agatha's Building

Floor: Ground Floor

Type: Nursing Comfort Room

Also known as: nursing comfort room, nursing cr

Location details: Nursing building ground floor near classrooms.

Description: Nursing comfort room.

Entity ID: NB101_ELECTRIC_ROOM

NB101 is the Nursing Electrical Room located in St. Agatha's Building, Ground Floor, Barretto Campus under the College Department.

Room Number: NB101

Building: St. Agatha's Building

Floor: Ground Floor

Type: Nursing Electrical Room

Also known as: nursing electrical room, nursing power room

Location details: Nursing building ground floor service area.

Description: Nursing electrical and utility room.

Entity ID: NB102_NURSING_OFFICE

NB102 is the Nursing Office located in St. Agatha's Building, Ground Floor, Barretto Campus under the College Department.

Room Number: NB102
Building: St. Agatha's Building
Floor: Ground Floor
Type: Nursing Office

Also known as: nursing department office, nursing administration office

Location details: Nursing building near Dean office.

Description: Nursing department office.

Entity ID: NB103_DEANS_OFFICE

NB103 is the Nursing Dean's Office located in St. Agatha's Building, Ground Floor, Barretto Campus under the College Department.

Room Number: NB103
Building: St. Agatha's Building
Floor: Ground Floor
Type: Nursing Dean's Office

Also known as: nursing dean office, office of the nursing dean

Location details: Nursing building central administrative area.

Description: Nursing Dean office.

Entity ID: NB104_CLASSROOM

NB104 is a Nursing Classroom located in St. Agatha's Building, Ground Floor, Barretto Campus under the College Department.
